Ex-Service Organisations Round Table « ESORT» 14 June 2022

Minutes

Welcome, Minutes & Actions of previous meeting

Attendees list is at Annexure A.

The Chair welcomed the ESORT members to the meeting and noted apologies.

The following representatives were welcomed;

- Mr Ian Lindgren, Australian Peacekeeper and Peacemaker Veterans' Association, representing Mr Robert Woods
- Mr Rick Moor, Australian Special Air Services Association, representing Mr Martin Hamilton-Smith
- Mr Kerry Mellor, Defence Force Welfare Association, representing Mr Kel Ryan, and
- CDRE Nicole Curtis, representing RADM Sarah Sharkey, MRCC Department of Defence
- Ms Alison Hale, representing Ms Kate Pope, Deputy President, Repatriation Commission.

The Chair also welcomed a number of observers including AIRCDRE Kaarin Kooij, Director General Joint Transition Authority.

Minister's Address

The Chair introduced the Hon Matt Keogh MP, Minister for Veterans' Affairs and the Hon Matt Thistlethwaite MP, Assistant Minister for Veterans' Affairs. ESORT members introduced themselves.

Both Ministers thanked members for their work in representing the veteran community and families and acknowledged the complexities of the Veterans' Affairs portfolio.

Minister Keogh outlined the Government's commitments made during the election campaign to deliver a better future for veterans and families.

The Assistant Minister also addressed ESORT and both Ministers welcomed the opportunity to engage further with the ex-service organisation community.

Members then engaged with the Ministers on a number of topics and raised concern that the Department's funding is not demand driven, observing the current backlog of claims in part has been caused by what appears to be a restriction on the Department's operability. Veteran homelessness and incarceration, the transition from service life and the importance of Veterans Hubs, the Family Services Package, the transition from civilian life to MyAged Care, the importance of volunteer advocates, National Family Engagement and the need for recommendations from reviews to be dealt with quickly so that they don't lose relevancy, were also raised.

Members **ENDORSED** the minutes from the previous meetings of 10 November 2021 and 28 February 2022.

Information is sent to veterans routinely and veterans can opt out at any time, noting the program has a high participation rate.

DVA's Managing Challenging and Complex Behaviour Policy – discussed 4 July 2022

DVA's *Managing Challenging and Complex Behaviour Policy* replaces the Unreasonable Complainant Conduct Framework and represents a shift in the Department's approach to managing complex client interactions. This moves from a process modelled on that used by the NSW Ombudsman to manage unacceptable behavior of complainants, to a guideline based on a disability, health and trauma-informed approach, anchored in Workplace Health and Safety legislation and obligations.

Members **NOTED** DVA's Managing Challenging and Complex Behaviour Policy. Members also **NOTED** that the language and guidance included in externally facing components of the Policy, such as the Mutual Code of Conduct, could benefit from refinement. Members and DVA **AGREED** for feedback to be provided on Appendix A – Mutual Code of Conduct of the DVA's Managing Challenging and Complex Behaviour Policy be provided to the ESORT Secretariat out of session.

The Deputy Secretary, Enabling Services and Commemorations (DSESC) provided members with an update on household invoices payments. He advised that the backlog is being addressed as quickly as possible. Resources have been allocated to processing and the implementation of the Australian Government Policy to align with payments made within 20 days is helping. The DSESC asked members to encourage providers to use the payment portal to submit invoices rather than via email. <u>https://connect.dva.gov.au/provider/upload The portal facilitates faster payment.</u>

The ESORT Chair and Deputy Secretary, Veterans & Family Services Group (DSVFSG), advised that government has agreed to undertake an extension of incapacity payments for veterans whilst studying. There is a gap in legislation that cannot be updated until parliament resumes. The DSVFSG advised that a workaround is in place and veterans will continue to receive a payment in the meantime. If members are contacted by affected veterans, please advise the Incapacity Team on <u>incapstudyenquiries@dva.gov.au</u> or call 1800 VETERAN on 1800 838 372 and ask the VAN staff for extension 179167.
