IMPORTANT INFORMATION

Changes to holders of Veteran White Card

- For treatment provided under the *Veterans' Entitlements Act 1986* (VEA) and the *Military Rehabilitation and Compensation Act 24* (MRCA)

Providers can contact DVA (see telephone numbers listed below) if they require treatment status for White Card holders.

Compliance

DVA is placing a greater emphasis on the existing compliance model for the provision of all health services. DVA will maintain its commitment to working with service providers to maximise voluntary compliance. Therefore treatment must be based on assessed clinical need. It is important dental providers continue to document the clinical reasons for treatment provision to DVA entitled persons.

DVA has compliance monitoring systems which monitor the servicing and claiming patterns of health care providers. This information assists DVA to establish internal benchmarks, the current utilisation and projected future delivery of services.

3. DERIVED FEES – READY RECKONER FOR GENERAL PRACTITIONERS

EXPLANATORY NOTES

Derived fees are indicated by a 'D' in the column of the Schedule. Derived Fees Ready Reckoner for general practitioners is a quick reference table for all derived fees. The derived fees are calculated at 115% of the listed MBS benefit.

GPs will be paid the relevant VAP and where applicable the Rural Enhancement Initiative (REI) loading.

The VAP can be claimed using the Medicare Bulk Billing Incentive item numbers.

Please note that VAP is not payable on items provided to inpatients of a hospital or day surgery, and Coordinated Veterans' Care Program UP items. VAP incentives are paid at 100% of the MBS fee.

The REI loading is available to GPs who provide services to veterans in designated rural public hospitals by State or Territory governments. The REI only applies to those In Hospital items indicated in the General Practitioner Schedule. The REI loading of 10% is added to 1% of the MBS fee prior to the GP fee calculation.

For items not listed in the Derived Fees schedule please refer to the appropriate schedule in this booklet.

- For medical attendances and consultations provided by general practitioners, please use the General Practitioner Fee Schedule for the relevant fees.
- For all specialist attendances and consultations, investigative and general medical procedures claim from the Repatriation Medical Fee Schedule.
- For In Hospital anaesthetic services please use Relative Value Guide Fee Schedule.
- For diagnostic imaging services claim from the Diagnostic Imaging Fee Schedule.
- For pathology services claim from the Pathology Fee Schedule.

4. REPATRIATION MEDICAL FEE SCHEDULE

EXPLANATORY NOTES

The fees listed in the Repatriation Medical Fee Schedule (RMFS) are for specialist consultations and procedures.

Out of Hospital items have been calculated based on the Medicare Benefits Schedule (MBS) at a rate of 135% of the MBS for consultations and 140% of the MBS for procedures.

All medical practitioners, including general practitioners, who have the appropriate qualifications updated with Medicare Australia, are eligible to claim for services listed in the RMFS. Items listed on the RMFS do not attract the VAP or the REI loading.

When claiming an RMFS item using the DVA treatment service voucher, electronic funds transfer or your own stationery, please ensure that you have correctly indicated whether you have performed the service In Hospital or Out of Hospital and claimed at the appropriate rate. Whether a service is considered In Hospital or Out of Hospital is assessed as per MBS assessment rules.

For items not listed in the RMFS please refer to the appropriate schedule in this booklet.

- For medical attendances and consultations provided by general practitioners, please use the General Practitioner Fee Schedule for the relevant fees.
- For derived fees for general practitioners, please use the fee schedule for Derived Fees for General Practitioners.
- For derived specialist fees for items 195, 414, 415, 416, 417, please see end of this section.
- For In Hospital anaesthetic services please use Relative Value Guide Fee Schedule.
- For diagnostic imaging services please use the Diagnostic Imaging Fee Schedule.
- For pathology services please use the Pathology Fee Schedule.
