<b>Treatment Population</b>	763	61.90
(Percentage of DVA clients holding a treatment card)	72.9%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	83.9%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	83.3%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	60.2%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	84.9%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	78.6%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.

Veterans	793	68.71
Dependants	249	81.41
<b>White Card Holders</b>	2,963	52.97
<b>Treatment Population</b>	4,005	57.85
(Percentage of DVA clients holding a treatment card)	90.3%	

**Notes:**

(1) Electorate boundaries used are those in effect for the May 2025 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependents' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependents' as some persons are eligible as both.
